## Frustrated mother writes to help dyslexic children

I have a great interest in and passion for dyslexia. I first became interested in the subject after a personal experience and, following that, became motivated to set up specialist centres to support adults and children.

Out of my work with dyslexic children at The Chilterns IDL (Dyslexia) Centres, I wrote and designed my first Step 1 book My Dog Nick. I am pleased to introduce you now to my next book, Will the Wizard, my first Step 2 book.

I hope you will enjoy these books as much as I do!

Sincerely
